- Despite best efforts, damages may happen to the consignment due to the geographical terrain of the country. So we always try to elaborate our clients on the risk coverage booking of BPL and recommend them to pay risk coverage cheque for their consignment.
- \* Transit Risk Coverage is arranged for HHG @ 3.00% and for Car @ 1.50% of the total declared value.
- \* Client must record proper value in the Inventory Sheet. The Inventory sheet will be treated as a final document in claim settlement, if any.
- \* In case of minor and repairable damages, the client need to initially give a claim letter and quotes for repair estimates from an authorized vendor to process the risk coverage claim.
- \* Any claim should be intimated and lodged within 72 hours of delivery of the goods. In case of Car/Bike, claim should be intimated and lodged within 12 hours.
- \* In case, risk coverage is not opted for, then a declaration form needs to be signed by you. In such a case all items of the consignment including Car/Bike will be transported at owner's risk for which no claim will be entertained at a later.
- \* The carrier or it's agent shall be exempted from any loss or damage through accident/pilferage, fire/rain/collision/any other road or river hazard, we therefore recommend that goods should be covered under carrier risk by paying additional charges as FOV. No individual policy/receipt from insurance co. will be given. PACK & MOVE will only issue GCN under Carrier Risk, (Section 11, Carriage by Road Act, 2007).
- \* In case of Car/Bike or other articles only exterior damages will be entertained, no claim will be paid for any internal or mechanical fault.
